1. What SWAT position are you specifically interested in (including general positions) and why?
2. What qualities do you possess that will help you excel in this position?
3. Please discuss in one or two paragraphs something that God has been teaching you over the past year.
4. Describe any significant leadership experience you have had.
5. How would you explain the gospel to a child? In other words, if a camper were to ask you how to be saved, what would you tell them him or her? Please be specific.
6. What are three qualities that you feel are important for a person in a position of leadership at a Christian camp to possess and why?
7. What are your current plans for September, 2010 (e.g. what school do you plan to attend, what program, etc.)?

* Please be aware that SWAT is primarily meant for those returning to post-secondary school in the fall. As such, most positions are **bursary positions**, whereby:

- The SWAT member is technically a volunteer
- A tax-free bursary is paid to the SWAT member's school by the end of the summer
- The bursary amount for 2010 is **$2300** for the entire summer
- The SWAT member may raise an additional $1700, which must come in by July 31.
- Any SWAT member who chooses not to attend school in the fall forfeits the entire amount of their bursary, unless prior arrangements have been made with the Executive Director.

Thank you very much for your application to the Timberline Ranch 2010 SWAT Team . All applications will be carefully considered and kept confidential.
